## NARRATIVES

## INVESTIGATION:

This report is only a summary and must be read with all reports submitted under this RD number. Reporting Detective was assigned as a blind administrator for [REDACTED] this investigation per the 1st watch supervisor, Sgt. Williams.

[REDACTED] the victim of an armed robbery in the 002nd district. Two suspects were developed and their IR photos were placed into two separate photo arrays. Reporting Detective generated two color photo arrays using the mug shot system for like attributes of the suspects in custody. [REDACTED] was given an advisory form to read and sign before viewing the photo arrays. (See inventoried advisory form). [REDACTED] was also asked if [REDACTED] would consent to be recorded which [REDACTED] declined and signed the advisory form stating so.

R/D handed the [REDACTED] a one page montage of 6 colored computer generated IR photos. (See photo montage #2) The photos were in random order. [REDACTED] did not make identification. [REDACTED] and R/D signed the advisory form. R/D inventoried the photo array. This is a progress investigation.
